2005-06 NSU Shepard Broad Law Center 1L Face Book

Swearing in the 1L Reps: Blair Hoyt, Jami Beasley, Grant Baros and Florencia Iglesias. (Not pictured: Scott LeVine)

The hope of this book is to provide you with your very first career networking opportunity: your colleagues. You will help shape this school and its reputation over the next three years – have fun doing it and think diligently and think BIG!

Enjoy your first year of law school, as there is no comparable experience in your whole life.

Dean Joseph D. Harbaugh

Dean of Shepard Broad Law Center

“Not Just Another Pretty Face Book!”

I am pleased to introduce the 2005-06 NSU Law Face Book. Here you will find the photos of classmates and colleagues, the men and women you will travel with during your long and successful professional career. Among those pictured in the Face Book are your future partners, opponents and business associates. Wherever you go during your professional life, remember to reach out to them and be ready to lend a hand when they ask for your assistance.

But the 2005-06 NSU Law Face Book has more – it contains important information about the Law Center and the University that you will find useful now. Our thanks are extended to the Officers and Representatives of the Student Bar Association and all of those who participated in the project for producing the Face Book.
